Don't Let Anything Keep You from this Great Dress Goods Sale

Another of our famous Broadcloth Sales to be launched tomorrow.

Fine imported Chiffon Broadcloth, worth \$1.75, \$2, \$2.25 and \$2.50, 50 to 56 inches wide; black and colors.

One of the most fortunate purchases in our career. Nothing in the way of a broadcloth sale we've ever had in any way whatever equals or compares with the one we will launch tomorrow. The colors, the quality, in fact, everything is far superior to any of the others. One of the leading importers had 87 pieces left after supplying all his spring orders, and rather than carry them over till next season, he offered them to us at a great sacrifice. In fact, lower than we ever anticipated buying broadcloths of like qualities. And tomorrow we will sell them to you at one-half and one-third of the original value.

Beautiful, satiny, lustrous, finish, and absolutely permanent. We will sponge them free of charge if so desired. A complete range of colors, including apricot, peach, raisin, catwallow, egg-plant, mushroom, cinnamon, tan, pearl, taupe, smoke, castor, old rose, pink, delft, copenhagen, navy, garnet, scarlet, brown, gray, wistaria, amethyst, champagne, sardonyx, and a number of blacks. Don't fail to take advantage of this grand opportunity; and buy a coat, dress, or suit of these fine imported broadcloths, 50 to 56 inches wide, and worth up to \$2.50 a yard, at the special price of **98c**

Warner's Rust-Proof Corsets

are made to shape fashionably, to fit comfortably—not to rust, break or tear.

Regardless of price, a Warner's shape must be style and comfort perfection—standing, sitting or walking.

In order to meet our high standard, the fabrics are especially woven for lightness and strength; the boning is the unbreakable, resilient, rust-proof, celluloid-tipped boning, double throughout the corset, interlined and wrapped in double folds of cloth, making it impossible for the bones to push through.

Buy a Warner's—Give it hard wear. You will find it equal to whatever wearing strain you may put upon it.

We guarantee to your merchant every pair of Warner's Corsets—guarantee them to fit comfortably, not to rust, break or tear.
